Anti-fascist activists from Rose City Antifa, Pacific Northwest Anti-Fascist Workers Collective, and Eugene Antifa have been able to get access to the logs of a Discord server used by a variety of Pacific Northwest fascists and white supremacists, given the tongue-in-cheek name, the Cascadian Coffee Company (CCC). Discord is a chat app, originally developed for online gaming, but often used by the far-right and white supremacists groups to organize their groups and events. These logs contain thousands of messages detailing activities, organizing, and interactions of one particular bunch in the region. In an ongoing series of articles, the coordinating anti-fascist groups will publish revealing information about this particular set of Nazis organizing throughout the Pacific Northwest region, located from Ashland to Seattle. You can follow all of these stories by visiting our website at rosecityantifa.org, or following us on Twitter [@rosecityantifa](https://twitter.com/rosecityantifa) and using the hashtag #PNWfascistlogs and #CCC.

One central figure in [the group we are calling the Oregon Aryans](#) that has emerged from the logs is David Woods, aka "[Fashy Chad](#)." hilariously, Woods was once a "world music rapper" before becoming a violent white supremacist. In this article we will briefly describe the fascist activities of Woods, and reveal his address.

I have grown to be dismoral. I feel Whites are entitled to much more and are required to take it in order to be in alignment with nature and avoid further conflict with lesser races in the future centuries. We need to change the entire paradigm of equality to harsh reality. We are Superior and we should behave accordingly.

As neo-Nazis and insurgent fascist movements began to wriggle their way out of hiding in the early days of 2017’s incipient Trump administration, a few brazen faces became instantly recognizable. David Woods was first noticed by anti-fascists after he appeared on the University of Oregon campus on April 20th, 2017, in the company of well known Springfield Nazi Jimmy Marr. Subsequently, Woods was seen at Marr’s house in the company of many fascists on April 24th, and in Portland at [Joey Gibson's April 29th rally in the Montavilla neighborhood](#). There, Woods was wearing protective equipment, and his messages to the CCC Discord server show that he was spoiling for a fight.

Neo-Nazi David Woods at Joey Gibson's Montavilla march

The CCC Logs show Woods to be one of the ringleaders within the Central Oregon Aryans, maintaining his leadership with shows of bravado, aggressiveness, and by violently imposing fascist and Nazi ideas. He is one of the few members who have no compunction about showing their face in public. He also participated in many of the fascist banner drops carried out over I-5 during the summer.

For now at least, I think the sonnenrad can serve us a good bridge. Not the least because it was bequeathed to us by the SS.

Australopithecus Jordan6/29/2017, 4:54:14 PM

The swastika is among the oldest symbols on record bestowed upon all peoples of the world given the gift of culture/civilization from Aryan Master Race god-men. In time we will reclaim it's original meaning, rather than "OHhhh no Nazis".

Australopithecus Jordan6/29/2017, 4:57:12 PM

We adhere to the natural order which is the will of the Creator in motion. This adherence protects us, gives us strength, and guides us.

Australopithecus Jordan6/29/2017, 4:58:07 PM

Our sonnenrad symbol carries similar meaning and is effective in remind us to align with our true nature.

Australopithecus Jordan6/29/2017, 5:03:13 PM (edited)

undefinedFor those that missed previous post: Sonnenrad: Center = Sun, Ring one = Mercury orbital path, Ring two (zag section showing motion) = Venus orbital path, Outer ring = Earth orbital path. The 12 segments divide the solar year into the solar houses. Depicts the natural order of our solar system, the central role of the Sun in providing life giving energy and the relation/implication this has with the Creator's spiritual force/will. In mid-May of 2016, the @deedubrecords twitter account renamed itself @altright1488; later that fall, the account was suspended for persistent harassment, death threats, and racism. Deedub's re-brand seems to have coincided with the couple's decision to move from California to Oregon. Woods' newfound sense of grievance is on full display in a one-star review he left for a Corvallis hotel in late May of 2016.

STAY AT THE SUPER 8 ACROSS THE STREET! I was very exhausted after a long drive when I went to the Rodeway Inn. The Indian man working there was extremely pushy and rude to me for no reason. The only reason I could see is that I am a white man and I had my JESUS cross on the outside of my shirt. I guess JESUS offended him. STAY SOMEWHERE ELSE because the guy is a jerk and does not deserve your business. The Super 8 across the street is pleasant, free Wi-Fi, breakfast, clean rooms, and friendly staff.

Woods is not just a malicious Nazi and racist, he also unironically embraces “White Sharia,” the violently misogynistic ideology invented by Daily Stormer founder Andrew Anglin.

The following is a brief timeline of David Woods’ appearances and participation in neo-Nazi and far right organizing locally:

On March 25th, David Woods and a number of other Central Oregon neo-Nazis affiliated with American Front and its feeder organization "American Patriots Brigade" took to an I-5 overpass in Springfield to wave American flags and display pro-Trump banners in support of an "Oregon Make America Great Again March" being held by Trump supporters in Salem. In addition to a commercially available "Make America Great Again" Trump banner, they also displayed a sign constructed as a panel for Jimmy Marr's infamous Nazi propaganda truck which reads "Trump: Do the White Thing."

April 20, 2017

On this year's anniversary of Adolf Hitler's birthday, Jimmy Marr and David Woods appeared outside the Erb Memorial Union on University of Oregon campus in Marr's truck decorated with a huge swastika. Woods held forth hollering neo-Nazi talking points at rightfully-angered students as Marr disgorged bursts of lackluster caterwauling from the unluckiest set of bagpipes on this continent.

April 24, 2017

Because of his obnoxious racist proselytizing, Jimmy Marr's address has long been public knowledge. After Woods and Marr's touring neo-Nazi sideshow act stopped by the UO campus, anti-fascists and community members of conscience mobilized for a demonstration across the street from his house. Marr gathered approximately ten of his Nazi sycophants to counter the anti-fascist demonstration. David Woods was one of those present that day, and he was photographed throwing a Roman salute in front of a Nazi war flag. Notice that he is dressed in a grey button down Red Kap shirt, which has been adopted as the official uniform of American Front, and its feeder/prospect organization "American Patriots Brigade."

As we have [discussed before](#), Joey Gibson's Patriot Prayer organization jumped at the opportunity to throw a far-right, [Nazi-infested](#) rally in the immigrant neighborhood of Montavilla on April 29th, 2017. David Woods was among the Nazis who were welcomed by Gibson and his followers.

David woods, along with Jimmy Marr, [disrupted the Sixth Annual Solidarity Fair](#) at Central Park in Corvallis, OR. They had [chalked swastikas, neo-Nazi messages, and Trump slogans](#) the night before, much to the dismay of participants in the Solidarty Fair. They also displayed a banner over the freeway bearing the slogan “Wotan Mit Uns”: an Odinist slogan frequently used by neo-Nazis.

On August 21, 2017, Central Oregon was in the path of totality for a solar eclipse. Participants in the CCC discord logs spent a great deal of time designing and making banners for the occasion, as well as coordinating with other regional groups for a series of neo-Nazi banner drops over the I-5 corridor in Oregon and Washington. Multiple [banner drops](#) occurred in Central and Southern Oregon as well as Washington. Jimmy Marr posted a photograph to his twitter account of the weekend's final banner drop featuring himself and David Woods holding an "Eclipse Whitey" banner next to a "1488" road marker.

The deal we've got going on down here in Oregon is that many of the State Troopers and ODOT Incidence Response personnel know us. We've seen them and talked to them many times. Many of them tacitly approve of what we have been doing. Their anti-White boss is a goddamned lesbian governor and it's a safe bet that they hate her, but by Saturday night they were running out of plausibly deniable excuses for their inability to "catch" us and they let us know that the jig was up. That's why our last act of defiance took place on Dike Access Road in Woodland, Washington and mentioned @OregonGovBrown. I suspect there may be one or more Oregon State Troopers who read my twitter feed.

In the CCC discord logs, Woods also paints a portrait of his family life in which he makes a number of claims regarding his family members. In one particular section, written in the disjointed style of 4chan confessionals, he blames his wife, Kelli Lynn Woods (nee Bindernagel) for a difficult time in his life beginning around 2012, saying that she convinced him to become a vegan, try meditation, and embrace norms of liberal tolerance; all of which he claims caused him to become weak and embittered.
